INTRODUCING

Communication Designer by degree, I am a freelance graphic designer, illustrator, artist, and event manager based in Goa, India.

With over 6 years of experience, I create bold, colorful designs that inspire joy and self-expression. From crafting posters and immersive experiences to presenting my work in exhibitions, I blend creativity and curiosity into everything I do. My goal is to build a strong visual identity that reflects my personality and helps others see the world through a vibrant, playful lens.
